DIRECTIONS: *From I-15, take Exit #93 for Blackfoot; R at the traffic signal and go 0.3 mi; L onto Parkway Dr; continue 0.4 mi and the destination is on the L.*

Jensen Grove is a city park in Blackfoot that has a small lake. It is known to attract such species as Caspian Tern, Common Loon, and Surf Scoter during migration. Great-tailed Grackle and Blue-gray Gnatcatcher have been found in the park and Red-tailed and Swainson's Hawks can be seen from the park in warmer months. Yellow Warblers breed in the park; look for and it attracts migrant gulls and warblers during the spring and fall.
